

## ANTI-BULLYING POLICY

### 1. Statement of Intent

Our school is committed to providing a caring and safe environment for all students so that they can learn in a secure atmosphere. Bullying of any kind is unacceptable in our school. If bullying does occur, all students should feel able to tell and know that incidents will be dealt with promptly and effectively. Anyone who knows that bullying is happening is expected to inform school staff.

#### **What is bullying?**

Bullying is aggressive or insulting behaviour by an individual or group, often repeated over a period of time, which hurts or harms.

Examples of bullying can be;

Verbal	name-calling, sarcasm, spreading rumours, teasing.
Emotional	being unfriendly, excluding, tormenting (e.g. hiding books, threatening gestures).
Physical	pushing, kicking, hitting, punching or any use of violence.
Racial	racial taunts, graffiti, gestures.
Sexual	unwanted physical contact or sexual abusive comments.
Homophobic	because of, or focusing on the issue of sexuality.
Cyber	all areas of the internet, such as email and internet chat room misuse of associated technology, i.e. camera and video facilities.
Disability/SEN	because of, or focusing on a disability or special educational need.
Home circumstance	targeting individuals who are looked after children or because of particular home circumstances.

Bullying can take place anywhere. Because bullying is complex and is often carried out subtly, it may take place in our classrooms.

**Parents/carers are expected to take responsibility for monitoring their child's use of social media and text messages and ensuring they do not engage in bullying behaviours outside of school time. School staff are unable to deal with every incident that occurs outside of school hours and may advise parents/carers to involve the police.**

### 2. Staff Procedures

#### **What to do if you think a student is being bullied.**

Encourage the student to talk about his/her experience. It may help the student just to be aware that someone else knows.

### **What to do if a student complains of being bullied.**

- Get a complete account of the incident. Are there friends, classmates or witnesses who can verify any accounts?
- Get a written statement from the student.
- If you can identify the bullies as other students from the school, talk to a member of staff.
- The bullies should be spoken to regarding the complaint, an informal warning may be sufficient.
- The SLT will arrange for a member of staff, chosen by then student either being bullied or at risk of being bullied, to offer support on a continual basis until such time as the student and his/her parent/carer are satisfied that the conditions have returned to normal.
- It may be appropriate to get the bullies and the victim together to give their respective accounts and the propose/agree to a solution - propose that sorting out the problem informally as individuals is preferable to the following scenarios;

Further sanctions (detention, exclusion)

A written record on student's file (affecting future references)

Parents being contacted

Contacting the police if the incident is serious

- It may be appropriate to conduct separate follow up meetings with the victim and bully to ensure that the problems have been solved.
- If the bullying continues, then this will be considered as a grave breach of school conduct and sanctions will be deployed in line with the school's behaviour policy.

### **What to do if you see a student being bullied.**

- Challenge the students' responsible - recording names and tutor groups.
- Record the incident in writing.
- Depending on the nature of the incident, it may be necessary to inform a member of staff who will follow the procedures outlined in the policy.
- Arrange for a meeting to discuss the incident - pointing out possible scenarios. The meetings may involve students (bullies and victims) and any such staff as may be considered appropriate.

- A follow up meeting with the victim must take place to ensure that the situation has been resolved and that the student knows that he/she is supported by school staff.
- A follow up meeting with the bully must take place to ensure that the student is supported in modifying his or her behaviour. Targets may be set and progress towards them reviewed.
